

Prayer For Spiritual Vision

Father, You are the immortal, invisible God, Who has promised to lead and guide all those that are called by Your name... and You have undertaken to give godly wisdom and vision generously to all who come to You asking in faith – knowing that You have promised never to turn us away those that ask in faith or to find fault when we come to You trustingly and in humility of heart.

I come now to pray for spiritual vision and to ask You stop lead and guide me in the days that lie ahead...trusting You to fulfil all the desires petitions of Your servant as may be best for me – to Your praise and glory.

Open my eyes to see Your will for my life and keep me from following after my own natural inclination or allowing my fluctuating emotions to dictate my decisions – but may I be led by Your Spirit to do only those thing that are pleasing in Your sight and which are best for me – for I believe that only as I seek to live godly in Christ Jesus will purpose for my life be fulfilled to Your praise and for my eternal benefit. This I ask in Jesus' name. Amen.
